All About the Cottontail Parent-Child Program

- Who?** Children ages 18 months to 30 months old, with their caregivers. One adult may be accompanied by a maximum of two children (in the case of twins).
- What?** The Cottontail Class starts each day with teacher-guided free play and an art project, followed by a snack time and a story time.
- When?** The Cottontail Class meets for 1 ¼ hours in the morning every Monday over two sessions: one in the fall, and one in the winter/spring. (See the registration form for more details and dates.) When you complete the registration form, please indicate which session you are signing up for or both.
- Where?** The Cottontail Class meets in Room 2 of the Preschool Campus
- Why?** The Cottontail Class is intended to be a gentle introduction to the preschool Reggio Inspired environment, an opportunity for toddlers to learn and play without having to separate from their parents and caregivers. The program offers a chance for parents and caregivers to build relationships with one another too.
- How?** When you're ready to sign up, simply return the registration form with payment to Pinnacle Presbyterian Preschool. Please note that space is limited, and spots in the class will only be held once the registration form and complete session payment have been received. *(Contact the school director to make alternative payment arrangements.)*
- How much?** Rates vary according to the class schedule and are based on the number of class days and school closure dates. The session is prorated for any holidays or vacation days that Pinnacle Presbyterian Preschool is not in session.

Please call (480) 585-9448 ext. 2 if you have any other questions about this program.
